

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED)	
GAS ADJUSTMENT FILING OF)	CASE NO. 10288-F
AUXIER ROAD GAS COMPANY, INC.)	

O R D E R

On May 2, 1991, Auxier Road Gas Company, Inc. ("Auxier") notified the Commission of its filing of a periodic adjustment in rates pursuant to the Commission's Order of April 10, 1991 in Case Nos. 10288-D and 10288-E.

The Commission finds that Auxier has failed to use the forms prescribed in the Commission's Order for filing its periodic adjustment. Hence, Auxier has not complied with the Commission's April 10, 1991 Order. As Auxier was allowed 30 days from April 10, 1991 in which to file its periodic adjustment, the instant filing should be rejected and Auxier allowed to revise its filing within the time remaining.

Pursuant to KRS 278.100, all filings should be made with the Executive Director as the chief administrative officer and official custodian of Commission records. The Commission finds that Auxier erred in addressing its notice and filing to an individual and not the Executive Director at the Commission.

IT IS THEREFORE ORDERED that:

1. Auxier's filing of May 2, 1991 does not comply with the Commission's Order of April 10, 1991 and is hereby rejected without prejudice.

2. Auxier shall file its periodic adjustment pursuant to the Commission's Order of April 10, 1991 in the form prescribed no later than May 10, 1991.

3. Auxier shall, in conformity with the finding above, make all future filings with the office of the Executive Director as required by law.

Done at Frankfort, Kentucky, this 3rd day of May, 1991.
